

# 0% APR TYPICAL FINANCE

Add a selection of some of our most popular motorcycles to the easiest way to get on two wheels in 2009, and we think you'll agree it's a winning combination. Whether you hanker for urban riding excellence, want to take the long way home or mount a precision attack on your favourite asphalt apexes, the winning combination is ready and waiting at your Kawasaki dealer right now.

For a limited period, we're offering a selection of Kawasaki motorcycles combined with an amazing 0% APR typical, for an affordable £99 minimum deposit and wallet friendly two and a half years to pay.

Just think of it, you could be riding a brand new bike while all those car drivers sit still in traffic jams and fume at the petrol pumps... or pay painful parking fees and congestion charges.

When you've chosen your brand new motorcycle, remember one final thing - only we can offer the unique and valuable combination of 0% APR typical finance and 100% Kawasaki.
